

WEST BEND BANDS

Excellence with Pride – SEPT 2017

Welcome Back!

And we're off! The school year always starts with a bang for band students who jump right in with football pep band performances and homecoming parade/field show preparation. This year is no different.

The upcoming events list (*to the right*) will appear on every newsletter as a snapshot of what is coming next. For freshman band parents, please note that NOT ALL of these events will apply to your students. Any time we refer to the marching band, we are talking about Sophomores-Seniors only. The only exception is the "Indoor Marching Band Scholarship Concert" on 10/30 in which EVERYONE will participate. It's going to be awesome. Just wait!

For a more detailed look at this year's happenings, please check out our Google Band calendar by following this link (goo.gl/q21NZN). From here, you can add this calendar to your Google account so it appears in your Google-capable phone calendar by clicking "+GoogleCal" at the bottom right corner of your screen. This is the same calendar that has been used in previous years but has been updated to reflect this year's performance dates.

Volunteers Needed!

Volunteer Sign-Up Is Live

With all of the activities going on in the band world, we'll need plenty of help to make sure things run smoothly. This includes set-up for events like homecoming, ushers, and volunteers to run the band boutique at concerts.

Please follow this link (www.volunteersignup.org/EF7RH) and let us know when you might be able to help!

Summer Brat Fry

Speaking of volunteers, it took "all hands on deck" to pull off a successful brat fry this summer at Ries' Sausage Plus. Thank you to everyone that helped out! What a great success!

UPCOMING EVENTS:

9/22

Football Pep
Band
(5:30pm report
time)
