

# WEST BEND BANDS

Excellence with Pride – NOV 2018

## “Holly Jolly Light Parade” Trip

This weekend, the marching band heads north to perform in the Holly Jolly Light Parade on Saturday night and will stay at the Kalahari resort in the Dells. The parade begins at 6:00pm and features some spectacular floats adorned in Christmas lights. This trip is open to members of the Marching Band only, and occurs each year that there is no international trip planned.

## Concert Season

As we make the transition to concert season, students should be switching to the proper concert season equipment. If a secondary instrument is needed, this should be located or a rental form should be completed as soon as possible. Percussionists should bring concert snare sticks and yarn mallets with them to rehearsal. Woodwind players should return to cane reeds rather than fibercell reeds used for marching and pep band.

## Co-Curricular Groups

Auditions for PULSE (jazz band) and WB3 (New Orleans brass band) begin today and will run through Friday. Sign-up for these audition times in the band room. Please seek help preparing the audition material if it is needed by contacting either Mr. Murphy, Ms. Duckert-Kroll, or a veteran member of either ensemble.

Rehearsals for these groups will begin shortly after the conclusion of the auditions. Additionally, pit orchestra auditions are also posted in the Band hallway.

Brass Wind and Fire! season kicks off next week with two performances at HS Varsity basketball games. On Tuesday night, this group will perform a pre-game, post-game, and half time show during the East vs. West Girls basketball game. On Wednesday, this group will make a trip to Milwaukee to perform at the East Girls basketball game at the Fiserv Forum (2:00pm game).
