Introduction

EXCELLENCE = *"Doing your very best in everything, in every way."*

PRIDE = *"The ingredient which inspires us not to get ahead of others, but to get ahead of ourselves."*

Excellence and Pride are two primary components in the WBHS Band program. The achievement of those ideals requires a process involving dedication, discipline, determination, and personal responsibility.

Curricular objectives will set a clear course of study for all band members. We, as your student's band directors, are committed to every member's musical and personal growth. We invite your support and involvement in that process.

The result of participation in the WBHS Bands will include: **Greater Artistic Expression, Good Musical Skills, Critical Listening Skills, Collaborative Learning Skills, Organizational Skills, Leadership Skills, a Life-long Appreciation of Music, and a personal and group definition of EXCELLENCE and PRIDE.** It is our goal to help all band members achieve those objectives and enter their post - high school lives understanding the joy of music.

Important Note to Parents:

The form on the last page of this handbook must be detached, signed in the appropriate places and **turned in to the Band Office by FRIDAY, SEPTEMBER 23, 2022**

These forms will indicate that you have read the entire handbook and have given your permission for your student(s) to appear on our website(s).

Auditions

IT IS EXTREMELY IMPORTANT THAT STUDENTS UNDERSTAND THE IMPORTANCE OF THE AUDITION PROCESS. EXTENSIVE PREPARATION IS IMPERATIVE.

Upperclassmen Concert season auditions will be held in late October. Placement in both sections and bands will be determined by a short performance of some or all of the following: an etude, sight reading, rhythm and scale. All students must audition. Previous years' chair placement does not guarantee or influence current year placement. Those who choose not to audition will be placed last chair in their section and lose grade points.

Concert Band Chair Placements will occur during the first quarter of the school year. Chair placement will be determined by a short performance of some or all of the following: an etude, sight reading and scales. All students must audition. Those not doing so will be placed last chair in their section and lose grade points.

Challenges

Challenges to improve seating will be allowed at the rate of one per every two weeks. A challenge form must be obtained and completed by both people involved with a week's notice. Challenges taking place within two weeks of a concert or contest and involving a change of chairs will result in the change taking place after that activity. **CHALLENGES BETWEEN BANDS ARE NOT ALLOWED.**

Brass Band, PULSE

Auditions for *WB3* and *PULSE* will include a brief playing example of the jazz style and potentially improvisation. **Veteran members do not need to re-audition.**

BRASS, WIND, AND FIRE!

A brief audition, consisting of a current pep band selection will be required of those desiring membership in this group. **Veteran members do not need to re-audition.**

Other Auditions

Auditions are also required each year for Drum Major, Color Guard and DrumLine instrument placement. **All current and new members must audition.** Practice sessions and/or lessons will be available to help students prepare.

General Grading System

Concert Season

<p><u>Lessons/Check-Offs</u> Weekly private practice is expected on assigned lesson and band materials. During the fall season, weekly sectionals will be required for each upperclassman band marching section. Those rehearsals will be scheduled for part of lunchtime and will count as the lesson requirement. (Students taking outside private lessons during concert season must meet or exceed the same school lesson requirement as other band students). Extra credit lessons will be worth 1 point.</p>	Summative
<p><u>Performance Outcomes</u> This includes concerts and parades as scheduled. Missed performances will only be excused with alternate assignment and excused absence forms completed and submitted one week prior to the performance.</p>	Summative
<p><u>Daily Musical Growth and Accomplishment Outcomes</u> Includes activities related to each student's growth as a musician which includes, but is not limited to: Posture, articulation/sticking, listening for understanding, teamwork, etc.</p>	Formative
<p><i>Notes:</i> *Semester exams or projects will comprise 15% of the semester grade. *All students will be required to practice individually for <u>at least</u> one hour per week (during study halls, free periods, or at home).</p>	

Alternate Programming / Excused Absence Forms

If a student has an extended medical excuse for not participating, he/she must complete an alternate program form and will be assigned another activity. For absences from required performances, students must complete an excused absence form (available in the band office) and have it signed by a parent and returned to the band director one week before the performance. Alternate assignments must be turned in BEFORE the date of the performance. In addition, notes excusing absences due to illness must be turned in within one week after the missed performance. **WORK IS NOT considered an excusable absence** so plan accordingly!

School Instrumental Lessons

Freshmen band members will be required to fulfill one-to-two Lesson(s) and one Play Test per quarter. Upperclassmen band members will be required to fulfill one Lesson and one Play Test per quarter (may differ during marching season). The focus of those lessons will be improvement of individual musicianship. Skill development will center on student needs and curriculum requirements. Practice on those skills will be required between lessons.

Private Instrumental Lessons

Students will be encouraged to take lessons from a private instructor outside of school. A list of teachers in the area is available upon request; see you director for more information. **PRIVATE LESSONS ARE NOT REQUIRED, BUT ARE STRONGLY RECOMMENDED.**

Discipline Policy

Students are expected to arrive in class with the goal of learning and participating at every rehearsal, which includes having their instrument/equipment at every rehearsal. Those unable to meet expectations will be tracked through collaboration with guidance counselors and/or principals. The ultimate result of repeated infractions may be removal from band. Parents, counselors, and school administration will be involved, as necessary, in solving repeated classroom problems.

Cell phones and mobile device use will not be permitted during class unless instructed by a director for use as tuners or metronomes. Devices used during instructional time may be held in the main office through the end of the day. A minor referral may be issued for these violations.

Band Fundraising

Fundraising provides students with an opportunity to raise money for upcoming band trips. There are typically two fundraisers. Students must abide by specific rules designated for each event. A form will be issued describing guidelines, product cost, sale dates, etc. immediately before the fundraiser begins. All students are encouraged to participate. Funds that are to be “rolled over” into another family member’s account must be requested in writing before the end of the school year. All other unused funds are transferred to other band-related funds, at the discretion of the band director.

Band Travel

In recent years, the WBHS Band has participated in a major trip every three (3) years and minor trips on an annual basis. These journeys are designed to allow our students to display their musical talents outside the West Bend area. Students will also experience personal and cultural growth by being involved in new and unfamiliar situations. **To be eligible for a major trip, band members must be enrolled in band class for the entire year, maintain regular classroom attendance with no unexcused absences, and must receive a band class grade of a “C” or better for the first 3 quarters of the trip year. Note: -MISBEHAVIOR PRECEDING OR DURING ANY BAND TRIP COULD RESULT IN IMMEDIATE LOSS OF BAND TRAVEL PRIVILEGES AT THE DISCRETION OF THE BAND DIRECTORS.**

School Instrument / Equipment Use

The school maintains large wind instruments and all percussion instruments for use by appropriate band members. Use of such equipment requires a sign-out procedure, as well as a district-generated rental agreement. The agreement indicates that the student accepts responsibility for maintaining the instrument and may be liable for the expense of repairs. Students are then allowed to use that instrument at home and school. Students may not use other instruments unless approved by the band director. **Billing for wind instruments will be communicated and handled by the Educational Service Center. Upperclassmen percussionists will complete rental agreements and pay fees to the WBHS Band.**

Students are responsible for all accessories such as slide/valve lubricants, reeds, cleaning cloths, etc.

Scholarships (Music Camp/Corps)

Summer music scholarships will be offered every year based on a written application. Those applications will be reviewed and grants will be offered in varying amounts depending on merit. Money will only be awarded to returning band students pursuing musical study. Applications must be received at the director's deadline and grants will be announced at the Band Awards Celebration.

Money for scholarship grants will usually cover only a portion of camp costs. Students applying should be willing to attend regardless of scholarship grants. Money granted will be disbursed in the fall following the camp experience. Proof of attendance must be furnished at the request of the director. Students who receive a grant and do not attend camp will not receive the disbursement and the money will remain in the scholarship account. Additionally, students who do not enroll in band the year following summer camp participation will not receive the scholarship.

WBHS Band Boosters Executive Board

The WBHS Band Boosters Executive Board is a service group of current high school band parents. The purpose of this organization is to support the band program in three areas:

1. Finances
2. Publicity
3. Activities and Events

Meetings of the officers will be monthly and twice per year (September and February) for the general membership. Please notify a director if you'd like to be considered for the following year. A successful band program needs active parental support!

WBHS Band Award System

The purpose of the band award system is to recognize co-curricular musical achievement, participation, and service to the WBHS Band Program. Awards will not be presented to students who leave the band program before the end of the second semester. Exceptions in unusual circumstances are at the discretion of the band directors.
